

February 2022

How can green roofs help respond to climate change?

On 26/01/2022, AGROS project was presented in the framework of the online event ‘Connection #2 Climate and Comedy’. The event took place in the framework of the Erasmus+ project ‘[FARCE - Using Satire and Comedy to Promote Climate Change Awareness](#)’ and brought together artists, scholars and project managers to discuss about addressing climate change in creative and innovative ways! Check out the event here: https://www.youtube.com/watch?v=H_Lps11-QpU&t=2154s
